

(2) The place where the X-ray system is in operation.

(g) The American Society for Testing and Materials Standard F792-82, "Design and Use of Ionizing Radiation Equipment for the Detection of Items Prohibited in Controlled Access Areas," described in this section is incorporated by reference herein and made a part hereof pursuant to 5 U.S.C. 552(a)(1). All persons affected by these amendments may obtain copies of the standard from the American Society for testing and Materials, 1916 Race Street, Philadelphia, PA 19103. In addition, a copy of the standard may be examined at the FAA Rules Docket, Docket No. 24115, 800 Independence Avenue, SW., Washington, DC, weekdays, except Federal holidays, between 8:30 a.m. and 5 p.m.

(h) Each certificate holder shall comply with X-ray operator duty time limitations specified in its security program.

[Doc. No. 108, 46 FR 3786, Jan. 15, 1981, as amended by Amdt. 108-1, 50 FR 25656, June 20, 1985; Amdt. 108-10, 56 FR 41425, Aug. 20, 1991; Amdt. 108-11, 56 FR 48373, Sept. 24, 1991]

§ 108.18 Security Directives and Information Circulars.

(a) Each certificate holder required to have an approved security program for passenger operations shall comply with each Security Directive issued to the certificate holder by the Director of Civil Aviation Security, or by any person to whom the Director has delegated the authority to issue Security Directives, within the time prescribed in the Security Directive for compliance.

(b) Each certificate holder who receives a Security Directive shall—

(1) Not later than 24 hours after delivery by the FAA or within the time prescribed in the Security Directive, acknowledge receipt of the Security Directive;

(2) Not later than 72 hours after delivery by the FAA or within the time prescribed in the Security Directive, specify the method by which the certificate holder has implemented the measures in the Security Directive; and

(3) Ensure that information regarding the Security Directive and meas-

ures implemented in response to the Security Directive are distributed to specified personnel as prescribed in the Security Directive and to other personnel with an operational need to know.

(c) In the event that the certificate holder is unable to implement the measures contained in the Security Directive, the certificate holder shall submit proposed alternative measures, and the basis for submitting the alternative measures, to the Director of Civil Aviation Security for approval. The certificate holder shall submit proposed alternative measures within the time prescribed in the Security Directive. The certificate holder shall implement any alternative measures approved by the Director of Civil Aviation Security.

(d) Each certificate holder who receives a Security Directive or Information Circular and each person who receives information from a Security Directive or Information Circular shall—

(1) Restrict the availability of the Security Directive or Information Circular and information contained in the Security Directive or the Information Circular to those persons with an operational need to know; and

(2) Refuse to release the Security Directive or Information Circular and information regarding the Security Directive or Information Circular to persons other than those with an operational need to know without the prior written consent of the Director of Civil Aviation Security.

(Approved by the Office of Management and Budget under control number 2120-0098)

[Doc. No. 25953, 54 FR 28984, July 10, 1989]

§ 108.19 Security threats and procedures.

(a) Upon receipt of a specific and credible threat to the security of a flight, the certificate holder shall—

(1) Immediately notify the ground and in-flight security coordinators of the threat, any evaluation thereof, and any countermeasures to be applied; and

(2) Ensure that the in-flight security coordinator notifies the flight and cabin crewmembers of the threat, any evaluation thereof, and any countermeasures to be applied.

(b) Upon receipt of a bomb threat against a specific airplane, each certificate holder shall attempt to determine whether or not any explosive or incendiary is aboard the airplane involved by doing the following:

(1) Conducting a security inspection on the ground before the next flight or, if the airplane is in flight, immediately after its next landing.

(2) If the airplane is being operated on the ground, advising the pilot in command to immediately submit the airplane for a security inspection.

(3) If the airplane is in flight, immediately advising the pilot in command of all pertinent information available so that necessary emergency action can be taken.

(c) Immediately upon receiving information that an act or suspected act of air piracy has been committed, the certificate holder shall notify the Administrator. If the airplane is in airspace under other than United States jurisdiction, the certificate holder shall also notify the appropriate authorities of the State in whose territory the airplane is located and, if the airplane is in flight, the appropriate authorities of the State in whose territory the airplane is to land. Notification of the appropriate air traffic controlling authority is sufficient action to meet this requirement.

[Doc. No. 108, 46 FR 3786, Jan. 15, 1981, as amended by Amdt. 108-4, 51 FR 1352, Jan. 10, 1986; Amdt. 108-9, 56 FR 27869, June 17, 1991]

§ 108.20 Use of explosives detection systems.

When the Administrator shall require by amendment under § 108.25, each certificate holder required to conduct screening under a security program shall use an explosive detection system that has been approved by the Administrator to screen checked baggage on international flights in accordance with the certificate holder's security program.

[Doc. No. 25956, 54 FR 36946, Sept. 5, 1989]

§ 108.21 Carriage of passengers under the control of armed law enforcement escorts.

(a) Except as provided in paragraph (e) of this section, no certificate holder required to conduct screening under a

security program may carry a passenger in the custody of an armed law enforcement escort aboard an airplane for which screening is required unless—

(1) The armed law enforcement escort is an official or employee of the United States, of a State or political subdivision of a State, or a municipality who is required by appropriate authority to maintain custody and control over an individual aboard an airplane;

(2) The certificate holder is notified by the responsible government entity at least 1 hour, or in case of emergency as soon as possible, before departure—

(i) Of the identity of the passenger to be carried and the flight on which it is proposed to carry the passenger; and

(ii) Whether or not the passenger is considered to be in a maximum risk category;

(3) If the passenger is considered to be in a maximum risk category, that the passenger is under the control of at least two armed law enforcement escorts and no other passengers are under the control of those two law enforcement escorts;

(4) No more than one passenger who the certificate holder has been notified is in a maximum risk category is carried on the airplane;

(5) If the passenger is not considered to be in a maximum risk category, the passenger is under the control of at least one armed law enforcement escort, and no more than two of these persons are carried under the control of any one law enforcement escort;

(6) The certificate holder is assured, prior to departure, by each law enforcement escort that—

(i) The officer is equipped with adequate restraining devices to be used in the event restraint of any passenger under the control of the escort becomes necessary; and

(ii) Each passenger under the control of the escort has been searched and does not have on or about his or her person or property anything that can be used as a deadly or dangerous weapon;

(7) Each passenger under the control of a law enforcement escort is—

(i) Boarded before any other passengers when boarding at the airport where the flight originates and deplaned at the destination after all
